Dear Friend,

As 2010 draws to a close, I wanted to take a few moments to wish you a joyous and healthy holiday season. I hope you are able to enjoy the coming days with those closest to you, taking time to relax with family and friends.

In the spirit of the season, let us keep those serving overseas in our thoughts and remember those less fortunate here at home.

On a personal note, I'm looking forward to my daughters coming back from college (with their laundry) and spending some quality time with loved ones at our home in Chicago.

It is truly an honor to serve you in the U.S. House of Representatives. Please do not hesitate to contact me if you ever need assistance, or drop by either of my District offices.

Here's to Happy Holidays and a Joyous New Year!

Sincerely,

Mike Quigley
