

WASHINGTON – Today, U.S. Representative Mike Quigley (IL-05) met with Poland’s Ambassador Ryszard Schnepf to discuss Poland’s relationship with the United States and legislation Quigley introduced yesterday that would expand the Visa Waiver Program (VWP) framework to welcome new countries like Poland into the program.

“It was an honor to meet with Ambassador Schnepf and discuss the issues affecting Polish American constituents in my district, many of whom have loved ones overseas,” **said Rep. Quigley**. “Outdated visa procedures do not reflect the strong diplomatic ties between our two nations, and I will continue to work to realize our common goal of visa free travel for Poland.”
