

One of the ways that I represent you in the House is by sponsoring and co-sponsoring legislation. There are a number of ways you can see what we've been doing and how we're working to represent your interests in Congress.

For a list of legislation that I've sponsored and co-sponsored, you can visit [THOMAS](#), a Web site by the Library of Congress that provides a wealth of information on when bills were introduced, who has sponsored them, and their current status.
