Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Church St: Connecting Communities and People Project in fiscal year 2025. The entity to receive funding for this project is the City of Des Plaines, located at 1401 Redeker Rd, Des Plaines, IL 60016. The funding would be used to facilitate safe pedestrian walkways and improve drainage along the new sidewalk, regrading the areas. The project is an appropriate use of taxpayer funds because it would help with the initiative to improve infrastructure throughout the country and local communities, providing pedestrians and cyclists a safe passage through unincorporated Maine Township and improve visibility of the aforementioned to drivers on the nearby roads.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Mike Quigley".
