Dear Chairwoman Cole and Ranking Member DeLauro:

I am requesting funding for the **Chicago Airplane Noise Mitigation Project** in fiscal year **2025**. The entity to receive funding for this project is the **City of Chicago Department of Aviation** located at **10000 W O'Hare Ave, Chicago, IL 60666-6000**. The funding would be used to **provide aircraft noise mitigation to homes surrounding the Chicago O'Hare International Airport by installing sound insulation treatments (acoustical windows, doors, and central air-conditioning as part of CDA's RSIP, or Residential Sound Insulation Program**. The project is an appropriate use of taxpayer funds **because it would improve residential life in areas that the FAA deemed to have significant noise impact**.

The project has a Federal nexus because the funding provided is for purposes authorized by **42 U.S.C. 5305(a)(4)**.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Mike Quigley".
