Dear Chairman Cole and Ranking Member DeLauro,

I am requesting \$5,000,000 in funding for the City of Des Plaines Lead Service Line Replacement in fiscal year 2027. The entity to receive funding for this project is the City of Des Plaines located at 1111 Joseph Schwabb Rd, Des Plaines Illinois. The funding would be used for replacing the over 3,000 lead service lines that exist within the City of Des Plaines to come into compliance with the revised Illinois EPA and U.S. EPA regulations.

The project is an appropriate use of taxpayer funds because it will help the City of Des Plaines eliminate lead service lines in compliance with Public Act 102-0613. The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Quigley
Member of Congress
