Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for CTA Jefferson Park Blue Line Station Improvement Project in fiscal year 2027. The entity to receive funding for this project is the Chicago Transit Authority (CTA), located at 567 W. Lake St Chicago, IL 60661.

The funding would be used to help bring the Jefferson Park Blue Line Station to a state of good repair by upgrading the escalators, replacing the roof and mechanicals in the attached training center and modernizing the roof and windbreak on the bridge deck. The project is an appropriate use of taxpayer funds because it offers CTA riders a better transit experience by modernizing the station for the riding public and investing in the facilities that allow CTA's employees to benefit from a more modern and comfortable continuing education space.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Quigley". The signature is fluid and cursive, with the first letters of "Mike" and "Quigley" being capitalized and prominent.
