Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$2,500,000 in funding for the Metra Forest Glen Station ADA Reconstruction Project in fiscal year 2027. The entity to receive funding for this project is the Metra Commuter Rail Division of the Regional Transportation Authority, located at 547 W. Jackson Blvd Chicago, IL 60661. The funding would be used for the modernization of the exterior elements of the Metra Forest Glen station including platform replacement, new station signage and digital arrival and departure signs. The project is an appropriate use of taxpayer funds because it brings the station in compliance with ADA standards and increases waterproofing to protect against flooding.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Mike Quigley". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
