Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the **City of Des Plaines Sewer Lining Program** in fiscal year 2024. The entity to receive funding for this project is **\$1,000,000**, located at **1420 Miner St., Des Plaines, IL 60016**. The funding would be used for **the sewer lining of old City mains that have major inflow and infiltration due to the age of the deteriorating infrastructure. This will extend the life of the sanitary sewer mains within the City of Des Plaines.** The project is an appropriate use of taxpayer funds because **this will help extend the life of our 70+ year old system and prevent the additional inflow going into the Metropolitan Water Reclamation District combined sewer system to help alleviate flooding within the system.**

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. [Clean Water Projects]. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.”

Sincerely,

A handwritten signature in blue ink that reads "Mike Quigley".
