The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the **Edgebrook Station Improvements** in fiscal year 2024. The entity to receive funding for this project is **Commuter Rail Division of the RTA d/b/a Metra** located at **547 W Jackson Blvd, 60661, Chicago, Illinois**. The funding would be used to **add a new climate-controlled shelter and passenger information systems at Metra's Edgebrook station in Chicago on the Milwaukee District North (MD-N) Line**. The project is an appropriate use of taxpayer funds because it **advances the goals to reinvest in existing infrastructure, strengthen connections across communities, sustainability, and resilience**. **The project will also advance priorities around climate, by creating good-paying, union jobs to build modern and sustainable infrastructure.**

The project has a Federal nexus because the funding provided is for purposes authorized by **chapter 53 of title 49 of the United States Code**.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
Mike Quigley

Member of Congress
