Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the **Sustainable Updates to CPS' Outdoor Spaces Project at William J. Onahan Elementary School** in fiscal year 2026. The entity to receive funding for this project is the **Chicago Public Schools, Board of Education, City of Chicago** located at **42 W Madison St. Chicago, IL 60602**. The funding would be used to **build an artificial turf field at Onahan Elementary School. The field would serve the residents by providing a green space for activities and community, while protecting the community from flooding and improving local air quality.** The project is an appropriate use of taxpayer funds **because it would reduce the rising chance of flooding in the community, safeguarding residents through the comprehensive drainage infrastructure included in the field's construction. It would also allow for a safe recreation place for the community to use.**

The project has a Federal nexus because the funding provided is for purposes authorized by **42 U.S.C. 5305(a)(1)**.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Quigley

Member of Congress
