Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for a Night Ministry Health Outreach Bus in the fiscal year 2022 Labor, Health and Human Services, Education and Related Agencies bill.

The entity to receive funding for this project is the Night Ministry, located at 1735 N. Ashland Ave, Chicago, Illinois 60622.

The funding would enable the Night Ministry to purchase a new Health Outreach Bus. The Night Ministry serves thousands of Chicagoans annually who are experiencing poverty and homelessness, proving access to health care and housing to those most in need. Among the programs operated by the organization is the Night Ministry's Health Outreach Bus, which six nights a week, serves individuals experiencing homelessness across several neighborhoods of the city. A new Health Outreach Bus would include a private exam room, private space for medical testing or meeting with social workers, as well as a hospitality area and restroom.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Mike Quigley".
